319 Citadel Graduate College

This category includes expenditures in support of academic programs offered in the evening for citizens of the Lowcountry. These programs include undergraduate and graduate evening programs, Professional Development Graduate Courses, Maymester, and Summer School. Citadel established under 59-121-10 et.seq. of S.C. Code of Laws

Statewide Result Area: Improve the state's post-secondary education system and cultural resources

Strategy: Provide for an efficient and effective statewide Higher Education system through improved statewide planning.

Budgetary Program No.: I.

Expected Results:

The CGC will take appropriate steps to ensure that citizens of the Lowcountry are aware of available undergraduate and graduate programs. At least 80% of the currently enrolled students responding to periodic surveys will be satisfied with their academic program. The CGC will continue to meet its mission "to provide the citizens of the Lowcountry and the State of South Carolina opportunities for professional development by offering a broad range of educational programs of recognized excellence at both the graduate and undergraduate levels."

Outcome Measures:

Based on input for the SGA and a study commissioned by The Citadel, a name change for the CGPS to Citadel Graduate College has been approved by The Citadel Board of Visitors. The CGC continues to work with the College of Charleston and the Lowcountry Graduate Center to bring additional opportunities for graduate study to the Lowcountry. Beginning in fall 2007, the University of South Carolina brought its doctoral program in Education Leadership to the Lowcountry Graduate Center. USC has agreed to accept the courses offered by The Citadel in its EdS in Education Leadership as a block of courses meeting the doctoral program requirements. This is a very strong statement about the quality of The Citadel's EdS program and the level of cooperation between USC and The Citadel. The initial cohort of 24 students are doing very well, and a second cohort will be recruited to begin in fall 2009. Faculty from both The Citadel and the College of Charleston are teaching in this program.

Budgetary Program No.: I.

Expected Results:

The ROTC detachments at The Citadel will be an integral part of achieving The Citadel's vision of "achieving excellence in educating principled leaders." The Citadel will continue to be among the top producers of ROTC officers in the country by commissioning at least 30% of each graduating cadet class.

Outcome Measures:

In the past five years, the percent of the graduating cadet class accepting a commission has ranged from a high of 40% to a low of 27% with an average of 32.2%. In 2006-07, 123 cadet, 27% of the cadet graduates, accepted a commission in the Army, Air Force, Navy, Marines, or National Guard.

321 School of Business Administration

Expenditures enable the School of Business Administration to address the mission of the College "to educate and prepare graduates to become principled leaders in all walks of life by instilling core values of The Citadel in a disciplined, academic environment." The Citadel's primary purpose has been to educate undergraduates as members of the SC Corps of Cadets and to prepare them for post-graduate positions of leadership through academic programs of recognized excellence supported by the best features of a structured military environment. A complementary purpose of The Citadel, realized through The Citadel Graduate College, is to provide the citizens of the Lowcountry and the State of SC opportunities for professional development by offering a broad range of educational programs of recognized excellence at both the graduate and undergraduate levels. These programs are designed to accommodate the needs of non-traditional students seeking traditional and demanding academic challenges. Citadel established under 59-121-10 et.seq. of S.C. Expected Results:

The Citadel's Business Administration programs will be fully accredited by the Association to Advance Collegiate Schools of Business. Degree programs will meet productivity standards and will maintain full approval of the South Carolina Commission on Higher Education.

Outcome Measures:

All programs are fully accredited and meet productivity standards and have full approval of the South Carolina Commission on Higher Education. The School of Business Administration continues to work on preparations for the next review by AACSB in 2010. Cooperative arrangements have been made with the Schools of Medicine and Pharmacy at MUSC to enable their students to concurrently pursue the MBA at The Citadel. A similar arrangement is being developed with the new Charleston School of Law. A number of courses have been introduced to provide our students more realistic experiences in international business by including international travel and actual visits with business enterprises in other countries.

The programs of the School of Education leading to initial K-12 certification or development of K-12 professionals will be fully accredited by the National Council for Accreditation of Teacher Education. Degree Programs will meet productivity standards and will maintain full approval of the South Carolina Commission on Higher Education.

Outcome Measures:

All programs are fully accredited, meet productivity standards, and have full approval of the South Carolina Commission on Higher Education. The NCATE focus visit in the fall of 2007 resulted in NCATE's Unit Accreditation Board granting The Citadel full accreditation of its professional education programs through 2012. The partnership with the Lowcountry Graduate Center (LGC) brought the USC PhD in Educational Leadership to the Lowcountry Graduate Center. An initial cohort of 24—largely graduates of The Citadel School of Education's educational specialist program in educational leadership—are beginning their second year, and a second cohort will be recruited to begin in the summer of 2009. Faculty from The Citadel and the College of Charleston are teaching in this program. A partnership with CCSD has expanded to include a cohort of teachers pursuing a Master in Literacy at The Citadel beginning in summer (2008). Efforts continue to establish a STEM Educational Center at The Citadel and to transform our GEAR UP and Wachovia projects into more sustainable partnerships with CCSD.

Outcome Measures:

All programs are fully accredited and meet productivity standards and have full approval of the South Carolina Commission on Higher Education. The School of Engineering in collaboration with the Schools of Education and Science and Mathematics, is working with the CCSC to develop a STEM Center at The Citadel and a "high tech high school." The Citadel School of Engineering is working with Middle Schools and High Schools in the Low-Country area to develop Project Lead the Way curricula and technology centered Charter Schools. The Department of Civil and Environmental Engineering and the Department of Electrical and Computer Engineering have submitted self studies to ABET for a fall 2008 accreditation visit.

Expected Results:

All programs will meet productivity standards and will maintain full approval of the South Carolina Commission on Higher Education. The School Psychology will be fully accredited by the National Association of School Psychologists and the Clinical Counseling will be fully accredited by the Masters in Psychology Accreditation Council. The core curriculum courses and sequences in English, History, Language, and Social Science will address the core curriculum expectations of the College.

Outcome Measures:

All programs have been approved by the South Carolina Commission on Higher Education and meet productivity standards. To address productivity issues, The Citadel has now dropped the BA degrees in German, French, and Spanish and has initiated the BA in Modern Languages with concentrations in German, French, or Spanish. This new program will be offered beginning in fall 2007, and no new students will be accepted in the discontinued programs. Both the School Psychology and Clinical Counseling Programs are fully accredited. Minors have been introduced in Leadership, East Asian Studies, and African American Studies. A number of external grants are being sought in support of these minors. The Department of Modern Languages, Literature, and Cultures has presented to CHE the addition to the BA in Modern Languages Teaching Specializations in French, German, and Spanish. These programs are part of The Citadel's efforts to address expectations of the EEDA relative to addressing teacher shortages in critical needs areas.

Expected Results:

All accreditable Science and Mathematics programs will be fully accredited by the appropriate organization. Degree programs will meet productivity standards and will maintain full approval of the South Carolina Commission on Higher Education. The core curriculum science and mathematics requirements will address the core curriculum expectations of the College.

Outcome Measures:

All Science and Mathematics programs meet productivity standards and have full approval of the SC Commission on Higher Education. The BS in Chemistry is approved by the American Chemical Society. The Department of Mathematics and Computer Science submitted the self-study for the ABET review of the Computer Science program in summer 2007, and the visit was conducted in fall 2007. The ABET visit was very successful, and full accreditation of the Computer Science Program is expected to be announced in summer 2008. The Departments of Biology, Chemistry, and Physics are presenting to CHE proposals to add Teaching Specializations to the BS Biology and BA Chemistry. These teaching specializations will lead to SDE teaching certifications in Biology and Chemistry and comprehensive Science and will prepare these students to teach Physical Science. These programs are part of The Citadel's efforts to address expectations of the EEDA relative to addressing teacher shortages in critical needs areas.

Expected Results:

While the Citadel is primarily a teaching institution, faculty research is highly regarded and special emphasis is placed on research efforts involving students. Adequate support will be provided for faculty research; opportunities for student involvement in research will be provided; Citadel Academy for the Scholarship of Teaching, Learning, and Evaluation (CASTLE) will be involved in research activities related to teaching and learning. Faculty will continue to pursue Federal grants and involve students in their research. Assessment Tools for Outcome Measures: Number/amount of grants awarded by The Citadel's Research Committee; number/amount of Federal grants; number of students participating in research; Citadel Academy for the Scholarship of Teaching, Learning, and Evaluation (CASTLE) research activities; record of scholarly presentations and publications by faculty.

Outcome Measures:

In the 2007-08 school year, The Citadel provided \$223,045.65 in private funds in support of research and the presentation of research for Citadel faculty. During that period, at least 29 undergraduate and 6 graduate students were involved in research efforts with faculty in the fall and spring, and at least \$10,000.00 was provided in support of student summer research stipends.

Expected Results:

Non-instructional services will be provided to external individuals/groups through programs such as The Citadel Sponsor Program; The Citadel Bulldog/Bullpup Program, Buddy Program; Senior Scholars Program; community service projects undertaken by the Corps of Cadets; participation in on-campus blood drives. Assessment Tools for Outcome Measures: Number of public service programs provided through Cadet Activities and College of Graduate and Professional Studies; annual school/departmental assessment and planning reports; annual reports of service organization; hours of community service reported for Corps of Cadets; documented participation in on-campus blood drives.

Outcome Measures:

The Corps of Cadets has received national recognition for its community service efforts. In 2007, The Citadel donated 2034 blood units to the Red Cross. The Citadel is a member of the Lowcountry Graduate Center which focuses on Lowcountry educational needs. The Schools of Education, Engineering, and Science and Mathematics are developing a partnership with the Charleston County School District (CCSD) to establish a Science, Technology, Engineering, and Mathematics Educational Center at The Citadel, and these schools are also developing a partnership with the CCSD and the Charleston Metropolitan Chamber of Commerce to conceptualize and create a "high tech high school." The School of Education is transforming the GEAR UP and Wachovia Reading Literacy projects into a more sustainable partnership with the CCSD. In 2007, the School of Education began a partnership with the CCSD to offer a master's program in educational leadership to a cohort of area teachers with leadership aspirations. The CGC offers its Senior Scholar Program for senior citizens in the Charleston area.

Outcome Measures:

The Citadel has implemented three additional academic support programs for students having academic difficulty. Over the past five cohorts, The Citadel's 4-year graduation rate has ranged from a low of 55.0% to a high of 62.5%, and 59.2% of the first-time, full-time freshman cadets entering fall 2001 graduated in 4-years. The 6-year graduation rate over the past five cohorts has ranged from a low of 64.9% to a high of 71.9%, and 65.2% of the 2001 cohort graduated in six years. Undergraduate student/faculty ratio of 15 to 1. The fall to fall retention rate for Fourth Class Cadets over the past five years has ranged from a low of 79.8% to a high of 82.2%, and Fall 2006 to fall 2007 retention rate of 81.2% for Fourth Class.

Outcome Measures:

The Citadel continues to refine its recruiting/admissions processes. In the spring 2006, two consultants completed independent reviews of all facets of these processes. While no major changes were recommended, several refinements have been implemented. In addition the CIRP survey is now administered to each entering class. For fall 2007, we had 2191 applications, accepted 1591 (72.6%), matriculated 651 (40.9%). Average SAT was 1101, average HS GPR was 3.22; 73% had a HS GPR of at least 3.00; and 44% were in the upper 25% of their HS class. Fall 2007 retention of the class entering in fall 2006 was 81.2%. In AY 2007-2008, 81% of all male cadets and 83% of all female cadets participated in some form of organized Citadel Athletics.

The Citadel Strategic Initiatives (2002-2012) and the planning/assessment/ budget process will be major factors in the decisions made by the institution. Assessment Tools for Outcome Measures: Ten-year reviews by the Southern Association of Colleges and Schools (SACS); annual Institutional Effectiveness Report and Performance Funding requirements reported annually to CHE; internal annual assessment and planning reports; annual assessment of the implementation of the Strategic Plan of the College.

Outcome Measures:

The Citadel Board of Visitors (BOV), on 30 September 2006, revised its Strategic Initiatives 2002 to 2012 as follows: Focus on the Development of Principled Leaders; Strengthen the College through Institutional Advancement; Enhance the Learning Environment; Develop the Student Population; Enhance the Facilities and Technological Support for the Campus; Improve Institutional Effectiveness; and Ensure the College has the Leadership and Talent to accomplish these Strategic Initiatives. A dashboard format for displaying our most important assessment metrics, and quarterly reports are required from each vice president. The BOV has revised the institutional strategic planning process, and to support this renewed institutional focus on strategic planning, a new position, Associate Provost for Planning, Assessment, and Evaluation, has been established and filled. The Citadel has begun a three year project to replace its 20+ year old administrative software package. This major essential undertaking will involve all aspects of the institution and will tax our financial resources.

The Citadel's athletics program will contribute in a significant manner to addressing The Citadel's vision of "achieving excellence in education of principled leaders" by offering men and women athletes the opportunity to compete at the Division I level while maintaining NCAA certification and meeting all standards of the Southern Conference.

Outcome Measures:

The Citadel's athletic programs are fully certified by the NCAA and have met all standards of the Southern Conference. Renovation of Johnson Hagood Stadium is a major continuing project for the College. The Citadel submitted the Compliance Self-Study report to the NCAA in July 2007, and the NCAA Accreditation Visit in Fall 2007 resulted in full recertification as a Division I institution.

Agency Activity Inventory by Agency Appropriation Period: FY 2008-09

Outcome Measures:

Gift Shop Enterprises exceeded budgetary goals. Sales revenues increased. Catalog mailings during the year promoted support for the college and enhanced merchandise sales, and on-line catalog sales increased during the fiscal year 33%. Discounted sales were offered to faculty, staff, cadets, CGPS students. Complaints received this year decreased and were most often directed at services and merchandise. Staff Training is on-going especially cross training to perform job duties for co-workers. All staff attended training classes this year for self improvement.

In periodic surveys of alumni, life in the barracks will continue to be recognized as a critically important component of The Citadel Education Experience.

Outcome Measures:

The renovation project at Stevens Barracks will be completed on 5 August 2008. The project includes upgrading the electrical system, installation of air-conditioning units in the cadet rooms, wood floor refinishing, installation of new acoustical ceilings and light fixtures, installation of new vanity cabinets, sinks and medicine cabinets, window repairs, and refurbishment of the furniture. Other related work includes painting of the exterior of the building, new flooring in some showers, and upgrading the elevator system. Budgetary Program No.: II.**Expected Results:**

The Corps of Cadets, The Citadel's primary student body, is full-time, residential, and lives under a strict 24-hour-a-day, 7-days-a-week schedule. Faculty living on campus will provide, especially for the fourth class cadets, a sense of community that tempers the hectic life of a cadet. At least 30% of the permanent faculty and staff will live on campus. In periodic surveys, cadets will agree that having faculty living on campus has had a positive impact on their Citadel experience.

Outcome Measures:

The renovation/maintenance of Faculty/Staff Quarters is limited to that which can be addressed through rents. A campus housing rental rate reassessment has recently been completed to ensure rates comply with state and federal requirements and that they are fair and reasonable. Rents will be increased on average 8.7%. The additional rent received will be used to continue the efforts to improve campus housing with major renovations to attract faculty and select vital staff to live on campus. Because of the restrictions of cadet life, especially for freshman cadets, having faculty live on campus is a priority for the College. At present, approximately 41 of the approximately 160 permanent members of the faculty live on campus. The 24/7 environment of the campus also makes having select members of the staff living on campus critical. To that end, several members of the Information Technology Staff and the Commandant's Staff have moved on campus in the past several years.

The Infirmary will receive no more than five cadet complaints per semester regarding patient care and service. Fifteen percent of the Corps of Cadets will be immunized against influenza annually. Less than 5% of female cadets will present with sexually transmitted diseases, 0% with pregnancies, 0% with serious nutritional problems. Twenty-six pap smears will be performed at the Infirmary during the school year (25% of all female cadets). Ninety-five percent of all histories and physicals on incoming freshmen will be totally approved (no missing information) by matriculation day.

Outcome Measures:

All medical histories and physicals were completed on incoming freshmen by matriculation day. No complaints were lodged either semester. The influenza immunization goal of 300 shots was exceeded (350). All goals for female cadets were attained except for the zero pregnancy goal (one cadet became pregnant this year, but spontaneously miscarried). The \$1.8M Infirmary construction project began in Apr 07 and ended in Jan 08 in time for Spring Semester. Cadet medical care was provided in a temporary facility (modular building across the street from the Infirmary) during construction. The project included repair of the North Ward ceiling, HVAC upgrade, backup generator installation, patient bathroom remodeling, floor tile replacement, and repainting.

Articles turned in for dry cleaning will be processed and returned to customer within three business days. There will be fewer than two significant complaints regarding the customer service skills of the staff submitted per semester. There will be fewer than five articles of clothing lost or damaged while under our care per semester. The Laundry/Dry Cleaners will generate a return in excess of \$30,000 to reinvest into the operation for use in upgrading equipment and for the improvement of working conditions. Daily average temperature at workstations will not exceed 95 degrees.

Cadet uniforms will be turned in for summer storage by May 2004 and uniform preparations for the Corps return will be completed by July 2004. There will be fewer than five significant complaints regarding the quality of the tailoring services provided. The Tailor Shop will generate revenues in excess of \$15,000 to reinvest into equipment maintenance and replacement.

Outcome Measures:

Summer storage increased significantly due to a larger Corps size and better support from the Commandant's Office. Storage solutions are being considered. All cadet, faculty and staff garment alterations were done within three to five days. Bidding for the female blazers for this year, will allow the female cadets a female cut blazer and accessories.

Outcome Measures:

The Citadel Telephone Directory was published and delivered to the campus community on time at the end of

September 2007. Significant changes were made to this directory and Telecommunications received much positive feedback on the new design. Telecommunications worked with the Commandant's Office to change cell phone policies for Cadets to allow them to use their cell phones as a substitute for land lines. The Citadel partnered with AT&T wireless to offer cadets, faculty, and staff discounts on services and devices. The new cadet cell phone program will be called Mobile Campus. Coeducational Initiative: In May 1997, as part of the Shannon Falkner lawsuit against The Citadel in US Federal District Court, The Citadel entered into a consent order along with the US Department of Justice. In the consent order, The Citadel pledged itself to the successful completion of an assimilation plan for women into the South Carolina Corps of Cadets that would remove all vestiges of prior discrimination towards women. There are fifty-two initiatives/action items requiring the expenditure of Citadel, State, and private assets to accomplish. While some of the action items have been completed to date, there are numerous initiatives that are on-going and require the continuous expenditure of resources to sustain the progress to date and to achieve the coeducational mission as mandated by the court order.
